

ENTREPRENEURSHIP APTITUDES TEST

"The entrepreneur is essentially a visualizer and an implementer. He can visualize something, and when he visualizes it he sees exactly how to make it happen". Robert Schwartz.

Do you have what it takes to be an entrepreneur? This questionnaire will identify whether you have the characteristics that typically demonstrate entrepreneurial potential. Examine the following statements and indicate how often or to what degree you agree with them. Please mark your answer with a **cross**.
